

1ST ANNOUNCEMENT

Dear Friends and Colleagues,

We are pleased to inform you that the **10th International Symposium on Aphids (ISA)** is going to be held in 4-8 September 2017 in Niğde-Turkey. The 10th ISA aims to bring together aphid researchers from different countries to share-discuss their findings, and allow researchers to establish possible collaboration with each other.

Details about accomodation and application are going to be shared with you in near future announcement.

I will be appreciated, if you share your ideas and suggestions about the possible contents of the symposium with us.

Yours sincerely,

Prof. Dr. Gazi GÖRÜR

Please share this announcement with your colleagues
who might interest in with this symposium.
